Research papers submitted for the YSA must be original and unpublished. However, applicants may submit papers that are under review for publication in a scholarly journal at the time of the 2024 EATS Conference.

#### Deadline

Applicants should submit their covering letter and the paper as two files to <https://www.conftool.net/eats2024> by **15 September 2023**.

## **Evaluation**

The EATS Board will strive to announce the review result by **30 November 2023** after a double-blind external review process, and will nominate no more than three finalists. The finalists will be invited to present their papers at the 21<sup>st</sup> EATS Annual Conference hosted by the University of Vienna, Vienna, on 8–10 April 2024. During the conference, their oral presentations will be further assessed.

## **Award**

The final results will be announced at the closing ceremony of the 2024 EATS Conference. Each prize winner will be presented with an official certificate and a monetary award.

## **Funding**

YSA finalists will receive a partial reimbursement of travel and/or accommodation fees during the conference as per EATS Conference regulations and subject to EATS financial constraints. Absence from the EATS Conference will be considered as withdrawal from the competition.
